### About the Finish

#### Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

### Useful Information

- The EPT range is top fixing, please allow for a 2mm gap between drawers, or cut a 1.6mm recess for flush fitting.
- Distance from edge to screw centre is 30mm

### Box Contains
