About the Finish

Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

Useful Information

- The EPTR range is fitted from the back of the cabinet, please allow for a 2mm gap between drawers, or cut a 1.6mm recess for flush fitting.

Box Contains

- 1 Edge Pull
- All fixing screws and fasteners
